

## TRANSFERRING UTILITIES

At the time of vacating the property after closing, may we remind you that utility accounts must be transferred.

We recommend that the sellers call the gas and electric companies to request final readings. Please specify that you **DO NOT** want a shut off. At approximately the same time, please contact the purchasers to advise them of the date.

The purchasers should immediately call the gas and electric companies to have the services put into their name.

It is further suggested that the sellers and purchasers exchange phone numbers for this purpose.

For most areas the following numbers can be used:

Consumers Energy Company	1-800-477-5050
Michigan Consolidated Gas Company <i>Michcon</i>	1-313-965-8000

Additional numbers that can be useful:

Detroit Edison Company <i>Wayne/Oakland County</i>	1-800-477-4747
